Preschool Artist

Young students are so eager to learn and are a joy to teach. Young Rembrandts' instructors provide a nurturing and strong learning environment that expands preschoolers' image vocabulary as they draw familiar images such as fish, teddy bears, rainbow and cowboys. We'll concentrate on the skills of drawing and coloring while we develop fine motor skills, focus, listening, staying on task, patience and spatial organization. Ages 3.5-5.

Please Note:

- Instructor: Young Rembrandts.
- All materials provided by instructor.
- Students should wear an old T-shirt or bring a smock.

Children's Drawing

Our elementary age curriculum is designed to teach basic to advanced drawing skills, art techniques and vocabulary. We believe that drawing is the bedrock skill required for future artistic success. We give them skills to express their creativity, and believe that all children can (and should) learn to draw. We provide all materials and teach new lessons each week in a positive and nurturing environment, which brings out the best in each child. You'll see increased art abilities, learning skills, self-confidence and self-esteem. Ages 6-12.

Please Note:

- Instructor: Young Rembrandts.

Advanced Fencing & Bouting

Tactics, timing and opponent assessment! Students who have completed the basic sabre fencing class with The Cutting Edge (or have instructor approval) are welcome to join this more advanced class. Goals of the class are to fence opponents for points during bouts, to focus on paying attention to the opponent's tactics, learning advanced actions and foot traps, and to refine technique and develop "personal style" far more seriously. Electrical sabre equipment may be purchased (but is not required) in order to get more out of the class! For students with their own electrical fencing gear, the instructor can provide the scoring equipment as seen in Olympic Sabre Fencing. Equipment needed: electrical sabre, body cord, mask clip, electrical mask and electrical jacket. Email the instructor for questions about the class or how to purchase the equipment (sabre@thecuttingedge.s5.com). Ages 7+.

Challengers / Novice - Youth/Teen Tennis

Students begin playing in cooperative and match play situations. The emphasis will be on developing the match play skills of not only offensive tools, but defensive tools. This is also a good entry level for adolescent age students. Students will be working on the mental and emotional skills of keeping their focus on the job at hand regardless of the score. They will begin developing the defensive skills of reading their opponent and the situation, learning the tactics and strategies to not only visualize a game plan, but execute it, and gaining the confidence to stick to a game plan. Instructor to student ratio is 1:6. The program is certified to begin testing and development using the GRIPS curriculum. Skill level for entry into this class is commensurate to the Orange and Blue levels (for more info on the GRIPs program, go to www.barrypoole.net or www.gripsprogram.com. Ages 10-15.

Grand Slam - Youth/Teen Tennis

This class is geared for students interested in pursuing competitive match play. Students will find this class physically and mentally challenging. They will begin developing weapons, and learning the strategies and tactics needed to use these weapons effectively in both cooperative and match play situations. They will learn the ability to develop a game plan, and then gain the mental strength to execute that game plan. They will also hone their skills at reading their opponent and situation so they can place themselves in the best position to execute the skills they have learned. They will be presented with match play opportunities throughout the summer through our team tennis program. Match play takes place on Thursday or Friday. The program is certified to begin testing and development using the GRIPS curriculum. Skill level for entry into this class is commensurate to the Dark Blue and above levels (for more info on the GRIPS program, go to www.barrypoole.net or www.gripsprogram.com. Ages 11-16.
